MEMORANDUM FOR THE PRESIDENT

FROM: Henry A. Kissinger

SUBJECT: Action Program to Exploit Tensions in
the Soviet Union and Eastern Europe

After a careful review of the actions being undertaken, I believe [redacted] Of course, we should be alert to targets of opportunity, such as, for example, any slip-ups which we might exploit in the Soviet aid program to Peru. We should also be alert to opportunities for discreetly financing dissident Communist parties that could serve to undermine pro-Soviet ones.
